

Sponsor-a-Cage

Nobody likes a cage...but for the nearly 10,000 animals that visit No More Homeless Pets KC annually, their cage is what keeps them safe during their stay.

Sponsoring a cage helps us continue to provide high quality, low-cost spay/neuter services, vaccinations and other wellness treatments while the animals are in our care.

When a cage is sponsored, an engraved plaque with the sponsor's name will be affixed to it. The plaque can bear your name, your company name or the name of a loved one or pet.

Know that your sponsorship helps safely house our furry friends during their visit, promotes community goodwill and moves our mission forward - to become a humane, no kill community.

Dog Cage
\$250
